However, if you have 9 people playing the game, you can . I created my game and it is not appearing in the list of games to play. We have removed it from our list of games that we are accepting submissions for. If you feel that you can create a game for us, feel free to contact us. I have submitted a game to Open Source Space and I am waiting for your review. What is the best way to follow up? Please contact us as soon as possible if you haven't heard anything from us. Sometimes it is difficult to determine when it takes a while for us to reply to an application. Do you have any tips on marketing your game? We would suggest to write an article about your game in a newspaper or a website. It's free, and you'll get more exposure than if you send us an e-mail. We would also recommend to post your game on your social media accounts. Do you accept game jams? Yes, we will be participating in the Garage League Spring Game Jam in June. If you need information on this, please contact . I have a question I did not find an answer for online. What's your operating system? We currently have the game working on Windows (XP, 7, 8 and 10), Mac and Linux. We recommend the Windows version, as you have more control over your game there. Where can I get more information on The Precursor Grid? You can get more information about The Precursor Grid from our project page . I have an idea for another game. Could I submit that instead? We are currently accepting ideas for new games. We encourage you to check out our . You can also contact us to share an idea. I have questions I did not find an answer to on the website. Can I send them to you? We answer the most frequent questions in our FAQ section. Feel free to submit your questions and we'll reply as soon as we can. 4 * q + 2 .
