I feel nice. [Finger licking sounds] You look so nice here, do you feel the same? I'm here, and I want to show you what my legs would feel like right now, even with my pants up, on a bed, with nothing on between us but a blanket. [Fucking sounds] It's starting to get warm. [Muffled moans and wiggling sounds between sentences as you fuck her while she plays with herself] [Moaning as she gets ready] [Fingering] Y-You like it when I pull my shorts on, or this, or that, don't you? [Moaning] Do you like my little pussy lips, or my tits, the way they are wrapped around my face? Or the way they rub over my ass when I lean forward? [Moaning] Or if you don't mind me calling you that? [Moaning] I'm just a little boy, I'm just a kid here, it's fine that I'm not big enough to get on your chest. [Soft sucking] Mmm yeah, let's do this, baby, fuck me. [Start fucking her until she cumshots inside you and it starts to go] Mmmm [Start stroking her tits] [Heavy breathing sound] Ohhhh yeah! [Breathes hard] It's so nice, baby! [Breathe hard and she goes into an ecstasy] [End stroking] Let me just sit on this bed and let my body relax a little bit. I want to focus on this feeling, all the things that I could always do without actually having sex...without the feeling in my pussy so full of something, but now the feeling alone takes the edge off. Lili B. 2 yo Topless S- by: Mika, Janine, Tanya, Erika, Ewan and myself Avi and Avi were great. They were friendly and attentive! Our tour guide was friendly and helpful with his questions, and he even found time to mention the special gift we received! My favorite part was the fact that we had our photo taken with everyone, and there was an additional group photo with a few other friends! We even got to meet a lot of people during our ride...even some strangers! Also included in our rental was some of the best seats we've been offered yet! This trip was a dream come true for me and Avi! They were so professional, friendly, and attentive! What an amazing experience. I can never describe how excited I am to try something new with this group again!!! We didn't have to wait too long to be treated to our group photo. I wanted to get a new dress, as soon as she was seated. She was very considerate and kind towards me throughout. Her smile had a wonderful and sweet quality to it. The experience with her company was wonderful too. She was there to help us complete our tour, take pictures with us, and answer any questions any guest might have! I think this group's experience was beyond good. I can imagine being a fan of either group and just wanting to know what they like. They were extremely attentive, helpful, and always smiling when they told you about something! All we would tell our friends and family would be to see them on Yelp! I'll always come back to check them out again! They would be the place for us. Very professional, friendly, and caring. - April 31, 2018 Experience with AxxysAfter a day at school in which her parents asked, "What did I do this time?" Katie, her brother, and his friend started their morning at the school library by browsing through the books they had been given to read.
